

[illegible][illegible][illegible][illegible][illegible]

the figure on "Change. Nothing doing,"

ending Sunday.

The Clinton market was quiet, though being the market's opening on Sunday. "Producers are getting for good butcher" cattle less than \$10.00 and the few of their salesmen are not making up for that price. The market opened at \$10.00. The day's trading was the extent of the market and from all sources detailed within our preliminary report. The market was the market's opening on Sunday. The market was the market's opening on Sunday.

See column in Clinton.
